# WAY; WARM, TOO

Heat by Denouncing Third Party Leaders

BY C. S. ALBERT.

WASHINGTON, D. C. August 26 .-The campaign has been given a fairly good start, despite all the efforts of party managers to hold their candi-Taft, Governor Wilson and Col. Roosevelt have been mailing speeches at every possible opportunity. In addition they have held conferences with every grade of leader that came their way. It has become self-evident that the campaign will be a long and warm one, no matter what conditions the weather may assume.

To help matters along Senator La Follette cut loose and delivered a political harangue while speaking on the inside the party and would not desert it. He took away the Third party A number of prominent United having either organized or furthered the Progressive movement. Mr. La Follette said that immediately upon the adjournment of Congress he would speak night and day in favor of popu-lar government and endeavor to The troopship is reported by cables spread the Progressive propaganda until the faction he represents con-Thursday noon and should arrive here | trols all branches of the party organi-
